

VALUE ADDED SERVICES

Product

Laser Marking
Stripping
Splicing
Coating (Wet or Dry, Dips, Plating)

- Silicone Dip
- Silicone Oil
- PTFE
- McLube
- CrN

Metal Injection Molding

Logistics

TAC Program
VMI Program
Inventory
Operations
Financial (cash conversion cycle)

Packaging

Bulk Packaging
Unit Packaging
Labeling
Kitting

Fabrication

Gaskets
EMI/RFI Shielding
Die Cutting (Flatbed and Rotary)
Hand Fabrication
Laser Cutting
Water jet
Prototyping

Engineering

New Programs

- Design Assistance
- Product specifications/identification
- Samples for Test and Evaluation

Current Programs

- Failure analysis
- Cost reduction
- Alternate sourcing
- Manufacturing assistance

New Material Introduction

- Material/Test information
- Product specifications
- Samples

Manufacturing

Integration
Assembly
Design Challenges and Solutions

Quality Registrations

ISO 9001/2008

- CARs
- 8D/FAI Requirements
- PPAP Requirements

ITAR

- Registration Code M26556

Other

B2B Integration (EDI)
Customer Extranet
Customer Webcast Training
Finite Element Analysis
